

Changes made to the SCCTP Basic Serials Cataloging Workshop Spring 2005

Most changes were to Session 7: When do I need a new record?

The numbering of AACR2 rules for major and minor changes were renumbered with the Sept. 2004 AACR2 Rule Revision: 21.2A1-2 were renumbered 21.2C2a-b. Minor changes formerly listed under 21.2A2 and referred to by alphabetic designation are now listed under 21.2C2b and numbered by lower case Roman numerals. A few small changes were made in other sessions. The Evaluation form has been changed in format and moved to appendix H in the trainee manual to make it easier for trainees to find.
